Relocation Scholarship

The Relocation Scholarship provides assistance to eligible full-time ABSTUDY students at a higher education institution who are enrolled in a higher education or preparatory course and who need to live away from home to study. It is a lump sum payment paid each year to help with the costs of living away from home. It is not payable to students enrolled in a Vocational Education Training (VET) course.

To qualify for this payment you must:

- be a dependent person who has to live away from home to study, or
- be independent for reasons other than age, work history or through being a member of a couple.

The Relocation Scholarship provides more assistance in the second and third years of living away from home to study for dependent higher education students whose parental home is in a regional area. A regional area is one that is classified as Inner Regional, Outer Regional, Remote or Very Remote under the Australian Statistical Geography Standard (ASGS).

Independent students who qualify for the Relocation Scholarship will receive more assistance in the second and third years of living away from home to study if they resided in a regional area 6 months prior to starting their course. This applies even if they have not moved since then. These students will be asked in the form about the residential address they resided at 6 months before commencing their study.

continued

Example: Ian lives in Sydney and will be doing full time study at the University of New South Wales in February 2016. He moved to Sydney from Lismore where he had been living for 9 months, to be closer to the university. As his address 6 months prior to commencing the course was 1 Parkes Street, Lismore NSW 2300, he provides this address when asked in his ABSTUDY claim about where he lived at that time.

Note: This scholarship is not payable if:

- you do not continue full-time study for at least 35 days after qualifying for the scholarship, or
- you also receive, or qualify for, any type of Commonwealth Accommodation Scholarship, such as an Indigenous Commonwealth Accommodation Scholarship (ICAS), or
- you also receive a Relocation Scholarship paid by the Department of Veterans' Affairs.

Important: You CANNOT normally receive both the Relocation Scholarship and the ABSTUDY Residential Costs Option in the same year. You will need to decide which assistance best suits your needs and advise us.

Student Start-up Loan

The Student Start-up Loan aims to assist students with the costs of study, including the purchase of text books, computers and internet access.

It is a voluntary income contingent loan which allows students to apply for help with the costs of study. The Loan is available to be paid a maximum of twice per year, generally at the beginning of each semester. For the current loan amount go to **humanservices.gov.au**

Repayment of the Student Start-up Loan commences when your income exceeds the minimum repayment threshold, in the same manner as Higher Education Loan Programme (HELP) debts. Repayments are made through the Australian Taxation Office and after you have repaid any HELP debts.

For more information, and how to apply for a Student Start-up Loan, go to **humanservices.gov.au/startuploan**

Personal details

Aboriginality (Question 3)

ABSTUDY is only for Aboriginal and Torres Strait Islander peoples. If there is any doubt about your identity as an Aboriginal or Torres Strait Islander, you will be asked to provide proof.

Australian citizenship (Question 4)

Aboriginal or Torres Strait Islander students born outside Australia may be eligible for ABSTUDY if they are an Australian citizen.

Proof of Australian citizenship must be provided.

Acceptable proof of Australian citizenship is:

- certificate of Australian citizenship
- · Australian birth certificate
- Australian passport, or
- other government document that contains details of the student/Australian Apprentice.

Under 22 years of age and have a disability (Question 15)

Youth Disability Supplement is payable to Disability Support Pension customers under 22 years of age, or Youth Allowance customers (under 22 years of age) and ABSTUDY customers (under 22 years of age) with a partial capacity to work.

Other government assistance for study (Question 17)

You cannot generally be assisted by more than one government education or training scheme at the one time. If you tick 'yes' to this question, you may not be eligible for ABSTUDY assistance. There are exceptions for some state or territory government scholarships where you are not an employee of the government agency awarding the scholarship. If you receive Youth Allowance, Newstart Allowance or Green Army Allowance and you are studying part-time, you can receive ABSTUDY part-time entitlements (where study in the course does not make up part or all of your Mutual Obligation Requirements). Mutual Obligation Requirements means Activity Test or participation requirement under the *Social Security Act 1991*.

You should compare entitlements available under the different schemes, so you can choose the one which will assist you the best.

If you receive ABSTUDY as an Australian Apprentice, you are not able to be paid the Living Away From Home Allowance (LAFHA) which may be available through your Australian Apprenticeship Centre. The amount of ABSTUDY you can receive may be more or less than the amount you may be eligible for under the LAFHA. You should compare entitlements under the different schemes so you can choose the one that will assist you best. It is important to consider all alternatives as you cannot receive more than one of these payments at any one time. You can find out more about LAFHA at your Australian Apprenticeships Centre or go to australianapprenticeships.gov.au

Training assistance (Question 18)

If you receive training assistance for formal study or are assisted through an Australian or state/territory government wage subsidy by an employer, you may not be eligible for ABSTUDY.

If you are employed, ABSTUDY cannot be paid for a course that is a compulsory requirement for your current job. ABSTUDY cannot be paid where it duplicates assistance provided by your employer.

Examples of training assistance and wage subsidies include but are not limited to:

- · cadetships or bursaries
- Indigenous Cadetship Support (ICS)
- Living Away From Home Allowance (LAFHA) for Australian Apprentices.

Continued

If your course is not a compulsory requirement for your job and your employer provides:

- · paid study leave,
- payment of course fees/training costs including payment of travel, meals or accommodation associated with undertaking the course or training away from the home location

you may not be eligible for similar assistance from ABSTUDY.

Accommodation

Residential Costs Option for tertiary students and students undertaking approved studies of at least 30 weeks duration at a university (Question 41)

You must be:

- a tertiary student or a student undertaking approved studies of at least 30 weeks duration at a university,
 OR attending a university preparation course, and
- approved for away from home entitlements and living in a residential college attached to a university or in a hostel.

ABSTUDY will pay the college or hostel direct, and you will get a reduced Living Allowance for the periods you are living in residence or a lesser amount may apply due to the income tests.

You must be receiving a fortnightly payment to be eligible for this option.

Compare your entitlement with residential charges (excluding refundable bonds) before you make your decision. You should check whether all meals will be provided by the college or hostel. You are not entitled to meal allowance for meals not provided by the college or hostel or other ABSTUDY assistance in addition to the residential costs.

Your college or hostel can give you the dates for which residential charges will be made. If you do not know the dates now, you can send them in later, but you must give the details to us before you start your course.

Please provide the following documents

To pay your residential costs at the college or hostel, you will need to provide an invoice from the accommodation provider listing the dates in residence and amount payable.

Important Note: You cannot normally receive the Relocation Scholarship or Commonwealth Accommodation Scholarship (CAS) and the ABSTUDY Residential Costs in the same year. You will need to decide which assistance best suits your needs and advise us.

Rent Assistance (Question 46)

You may be eligible to receive Rent Assistance to assist with the cost of your accommodation. Rent Assistance is also payable if you need to live away from home to study. The amount payable depends on whether you are single, have children and the sort of accommodation you are in, for example, sharing a house, renting on your own or paying board and lodgings.

Health Care Card

Health Care Card (Question 54)

ABSTUDY students and Australian Apprentices do not qualify for an automatic Health Care Card, but may be able to qualify for a Low Income Health Care Card. Eligibility for the card is based on your total income over the 8 weeks immediately before your claim is assessed.

You can use the ABSTUDY claim form to claim the Low Income Health Care Card, either by requesting your eligibility be automatically assessed after you have been receiving your payment for 8 weeks, or by supplying details of your income for the 8 weeks before the date you lodge your claim. To obtain a Health Care Card you may need to provide identity documents. For a list of acceptable documents, see *Confirming your identity* on *Notes*—pages 21–23 of the **Notes Booklet**.

For more information about the Health Care Card you can obtain a copy of A Guide to Concession Cards, by going to **humanservices.gov.au/healthcarecard** or call us **1800 132 317**.

ABSTUDY customer circumstances

Receiving a payment (Question 58)

If you are studying a full-time course which is less than 12 months, you can remain on Newstart Allowance, Youth Allowance or Austudy or transfer to ABSTUDY. You should compare entitlements under the different schemes so you can choose the one that will assist you the best.

If transferring to ABSTUDY, a student's Newstart, Youth Allowance or Austudy may be continued for the first 21 days after the commencement date of their course. Students who transfer to ABSTUDY from other benefits will be paid up to the day before the course commences and paid ABSTUDY from the course start date.

Study details

Proof of enrolment (Question 74)

You will need to provide proof of enrolment from the institution if you are undertaking one of these courses:

- higher education course not at a university
- vocational education and training course at a TAFE or higher education institution
- secondary course at a TAFE or higher education institution or any course at a private education provider,
 and

you have not previously claimed ABSTUDY for these courses, or you are starting a new course.

You must provide a copy of the notice you were given by your institution **within 14 days** of starting studies. Payments cannot continue after this time if you do not provide proof.

School students and students in a higher education course at a university do not need to provide proof of enrolment.

Proof of full-time study in a distance education course (Question 75)

If you are studying a course which does not have attendance requirements, such as mixed mode or competency based training courses, you must provide proof of your study load to receive full-time entitlements. Acceptable proof is a timetable giving dates when assignments are due and modules must be completed. This is not required for courses supported by the Australian Government.

Selection test/interview

ABSTUDY will assist you to attend only 2 selection tests or interviews in a year.

Commonwealth Scholarships (Question 78)

Commonwealth Scholarships are paid by universities to assist qualifying students with education costs and with accommodation costs for students who have to move away from home to undertake a course of study.

A student who receives, or expects to receive, a Commonwealth Education Costs Scholarship, a Commonwealth Accommodation Scholarship or an Indigenous Access Scholarship must advise us of its receipt, and the date of commencement.

Study load concessions (Question 79)

You can be considered full-time if one of the following study load concessions applies:

- You have a substantial physical, intellectual or psychiatric disability and you are studying at least ¹/₄ (25 per cent) of the normal full-time study load for your course. If you do not receive a Disability Support Pension, Invalidity Service Pension or Invalidity Income Support Supplement, include a certificate from a specialist describing your situation.
- You are a single parent, carer or disability pensioner and you are studying at least ¹/₄ (25 per cent) of the normal full-time study load for your course. You must be receiving 1 of the following pensions to be eligible:
 - a Parenting Payment (Single), Disability Support Pension or Carer Payment
 - a Department of Veterans' Affairs Carer Service Pension, Invalidity Service Pension, Invalidity Income Support Supplement, or
 - you have a dependent child under 16 and you receive the Widow B, Defence Widow(er) or War Widow(er) Pension or Widow Allowance.
- You are studying at least ²/₃ (66.7 per cent) of the normal full-time study load and can show that:
 - you have no choice because of your course requirements, or
 - you have been directed in writing by the academic registrar (or equivalent officer) of your institution that you must take a lighter study load (send a copy of that letter with your form), or
 - you have been recommended to take a lighter study load for specified academic or vocational reasons (send a copy of that letter of advice with your form). This concession only applies for a maximum of 6 months. Your study load for the balance of the year must be at least ³/4 (75 per cent) of the normal full-time study load.

- You are studying a bridging course or a supplementary program concurrently with an associated course, such as a degree course, because of your study needs. The 2 associated courses must together make up a study load of at least ³/₄ (75 per cent). This concession also applies if you are studying less than an equivalent full-time student load as an Australian Government supported student in a course which leads into a degree course and you are classified by your institution as full-time. Send us a letter from your institution confirming your study program requirements.
- You are ill or injured and you are unable to maintain a full-time study load in a tertiary or TAFE course. This
 initially applies for an 8 week period but may be extended further in some circumstances. Contact us to
 find out what documentation is required to verify this.

School Fees Allowance

School Fees Allowance is to assist families to meet the costs of school fees levied by the approved education institution for secondary school students.

A student is eligible for SFA (Group 2) if they are a secondary school student who meets the Schooling B Award criteria, and one of the following apply:

- · meets the criteria for the away from home rate of ABSTUDY, or
- meets one of the following criteria for the away from home rate, but elects to remain in the local community and attend a non-government school:
 - travel time and access
 - limited local school facilities, or
- qualifies for independent status:
 - as an orphan
 - as a student whose parents cannot exercise parental responsibilities
 - on the basis that it is unreasonable for the student to live at home, or
- qualifies for independent status on the basis of a criteria other than those listed above and satisfies one of the criteria for away from home status, or
- the student is in State Care and the following apply:
 - the student is entitled to receive the away from home rate of Living Allowance because their Carer does not receive a regular Foster Care Allowance, and
 - the student lives away from the Carer's home due to one of the reasons contained in the away from home criteria.

Full-time study (Question 79)

The table below defines a full-time study load:

Student type	Full-time definition
Secondary school or college students	What the school considers full-time study
Secondary students at a Vocational and Technical Education (VTE) institution or studying by correspondence	Enrolled in at least ³ / ₄ (75 per cent) of the course's standard full-time study or work load*
Tertiary students in an Australian Government supported place (previously known as HECS)	Course has an equivalent full-time student load (EFTSL) of 0.375 or more in a teaching period**
Tertiary students studying at a Vocational and Technical Education (VTE) institution or not paying a student contribution for an Australian Government supported place (including study by correspondence)	Enrolled in at least ³ / ₄ (75 per cent) of the course's standard full-time study or work load*
Study through Open Universities Australia or Open Learning Australia	Registered for at least 2 university level units or for VTE study modules equivalent to at least 160 hours in a study period

^{*} a standard full-time study or work load is the number of hours/subjects/credit points (as appropriate) that are undertaken by a typical full-time student in your year of study in your course. In some cases you may not be considered full-time for ABSTUDY even though your institution sees you as full-time.

External students are strongly advised to check with us:

- that your annual study load is full-time and complies with the ABSTUDY/Australian Apprenticeship study load rules
- that adequate progress is being made throughout the year so that you cannot be deemed on the basis of progress to be undertaking less than a full-time study load.

Failure to have or to complete a full-time study load will result in a debt.

If you are not sure whether you are a full-time student under the ABSTUDY definition, or you are a part-time student, attach a list of your subjects. You cannot include tutorial assistance sessions funded by the Department of the Prime Minister and Cabinet or Indigenous Tutorial Assistance Scheme (ITAS).

Your study details will be checked with your institution.

If you change the course or subjects you will be studying, contact us with your new details. Any change could affect your status as a full-time student and cause an overpayment, which must be repaid.

^{**} Teaching Period 1 is the first 6 months of the year and Teaching Period 2 is the second 6 months of the year. Units with a census date prior to 1 July fall within Teaching Period 1 and units on or after the 1 July fall within Teaching Period 2.

Limits on assistance (Question 80)

There are limits on assistance to study undergraduate and postgraduate degree courses. ABSTUDY is payable for 1 undergraduate degree course and 2 postgraduate degrees. However, a first degree will not be counted if it is a recognised prerequisite to another degree course, and extra time may be given if the institution required a student to do another degree course before accepting them into the current course (see comments about 'reasonable time' below).

You should check with us to find out if you are eligible for assistance to study a second undergraduate degree or a third postgraduate degree.

Reasonable time to complete course (Question 81)

Students are allowed a 'reasonable time' to complete a course.

For courses which are 2 years or less, a reasonable time for completing the course is twice the normal course length. For courses which are more than 2 years, a reasonable time for completing the course is the normal course length plus 2 years. Students may be approved for ABSTUDY for up to 1 extra year if they have a disability, have an illness or something else beyond their control has happened and they can prove their circumstances.

Where students have been accepted into a mainstream Bachelor degree course because their institution required them to complete a degree beforehand as an alternative entry requirement, the reasonable time rules for degree study can be extended by up to 2 additional years.

If the student's first degree course is a mandatory prerequisite (i.e. the usual or compulsory requirement for entry into another degree course), it is not taken into account when calculating reasonable time.

Away from home details

(Question 92)

· Living away from home

Living away from home to study or to work in a full-time Australian Apprenticeship means you are staying somewhere other than where you would normally live. Living away from home can mean that you are boarding in another person's home, boarding at a hostel or residential college, living alone or sharing a house, flat or caravan with friends or other students. Secondary students would not normally be eligible for the away from home rate if their home is within reasonable travelling time or distance of a state school in which the student can enrol. Secondary students must be approved for one of the away from home reasons listed in Question 92. (This does not apply to students studying in block release courses/residential schools.)

Approval of Fares Allowance

There are restrictions on the payment of Fares Allowance for students living away from home. If you are a secondary student, you will not get Fares Allowance for interstate travel unless your home is near a border and it is more appropriate for you to study at a close interstate location, or there are no boarding places in your home state or territory.

If you are a tertiary student undertaking an enabling certificate or similar course, you will not be approved for Fares Allowance for interstate travel unless that type of course is not available in your state or territory. You can be approved for Fares Allowance to travel within your state or territory.

Fares Allowance is not available to Australian Apprentices.

Away from home rate

Some students will be eligible to receive the away from home rate if:

- your travel time exceeds 90 minutes one way
- it is a compulsory course requirement to reside at an education institution
- · access to school is often disrupted by road or weather conditions
- your home conditions impede studies
- you are enrolled in an approved special course
- your local state school has a limited school program
- · you have a disability that prevents you from attending the local school
- · your family moves often due to work
- · you are excluded from attending local school
- you are subjected to serious racial discrimination
- you are awarded an independent scholarship
- you need to remain at the same school due to continuity of study.

For more information about the Away from home criteria, go to humanservices.gov.au

Travelling Distance Rules (Question 92)

A secondary school student meets the travelling distance rules if the distance (via the shortest practicable route) between the student's permanent home and the nearest state school, at which the student is qualified to enrol. is:

- at least 56 kilometres (Rule 1), or
- at least 16 kilometres, AND the distance between the student's permanent home and the nearest available
 transport service to that state school is at least 4.5 kilometres via the shortest practicable route (Rule 2).
 Rule 2 also applies if the distance between the home and that state school is at least 16 kilometres and
 there is no transport to that school. If there is no transport service but it would be provided if requested
 then the distance between the student's permanent home and the transport service to the nearest state
 school must be at least 4.5 kilometres in order to meet Rule 2.

Where a transport service exists (or would be available upon request) to the nearest state school the calculation of the distance is based on the route from the permanent home to the nearest transport pick-up point, and then from the pick-up point to the nearest state school. This is the case even if a more direct route is available by private vehicle from home to the school. Where no transport service exists to the nearest state school the calculation of distance is to be based on the distance from the permanent home to the nearest state school by the most direct route in a private vehicle.

You may be asked to provide the distances to a school transport service and/or nearest state school. Evidence to confirm the distances may also be requested.

Independence (ABSTUDY)

You are considered independent if:

- you are 22 years of age or older, or
- you have been in some form of workforce participation for periods totalling at least 156 weeks during the previous 208 weeks, or
- you have supported yourself in full-time paid employment by working an average of 30 hours a week for 18 months in a 2 year period in one or more jobs, or

- you have previously been paid as independent for Youth Allowance or ABSTUDY because:
 - you have worked to support yourself in part-time paid employment of at least 15 hours per week for at least 2 years since you last left secondary school, or
 - you have worked to support yourself in paid employment, earning at least 75 per cent of the maximum
 Wage Level A of the National Training Wage Schedule within an 18 month period since leaving
 secondary school (a period of 18 months must have elapsed since you last left secondary school), or
- you are, or have been married or in a registered relationship, or
- you are in a de facto relationship, or
- you have, or have had, a dependent child, or
- you are an orphan, or
- it is unreasonable for you to live at home due to:
 - extreme family breakdown, or
 - there is a serious risk if you continue to live in the parental home, or
 - you are consistently deprived of basic necessities such as food, water, clothing, power, shelter or sleep,
 or
 - your health and well being are seriously threatened by drug or alcohol abuse, criminal or illegal activities, or
 - there is violence in the home, or
 - your parent(s)/guardian(s) are unable to provide a suitable home because they lack stable accommodation, and
 - you are of school leaving age in your state or territory or at least 16 years of age
- your parent(s)/guardian(s) are unable to exercise their parental responsibilities because they are in a nursing home, are mentally incapacitated, cannot be located or are in prison, or

Independence (ABSTUDY fulltime students from inner regional, outer regional, remote and very remote areas)

You may also be considered independent if your family home is in an area that is inner regional, outer regional, remote or very remote according to the Australian Statistical Geography Standard, and:

- · you are a full-time student, and
- you need to live away from your family home to study, and
- your parental income is less than \$150,000 in the BASE tax year, and
- you have supported yourself through paid employment by:
 - earning at least 75 per cent of the Wage Level A of the National Training Wage Schedule (NTWS) included in a modern award within an 18 month period since last leaving secondary school (a period of 18 months must have elapsed since you last left school), or
 - working in part-time paid employment of at least 15 hours per week for at least 2 years since last leaving secondary school.

Your family home is your parents' principal home. To determine whether your family home is in an area that is inner regional, outer regional, remote or very remote, please use the Student Regional Area Search tool, go to **humanservices.gov.au** or call us on **1800 132 317** (ABSTUDY).

Example: Chris completed Year 12 in December 2013. Her family home is in Bunbury, WA, an area considered to be inner regional. Chris took a gap year after secondary school and worked in part-time and casual jobs and by the end of 2014 she had earned more than \$23,000. In 2015, Chris moved to Perth to study full-time at Edith Cowan University. Chris' parents earned \$110,000 in the Base tax year. Chris is independent from May 2015, 18 months after leaving school, because she meets each of the requirements above.

For more information on the National Training Wage Schedule, go to **humanservices.gov.au** or call us on **1800 132 317** (ABSTUDY).

Parent/guardian/ partner details

Parental Income Test

The Parental Income Test includes taxable income, any fringe benefits received from employers, income from outside Australia, net investment losses (including negative gearing for property and shares), reportable superannuation contributions and tax free pensions and benefits. Working out your payment based on your income and assets is more complicated if you own real estate in Australia or outside Australia. You (or your partner) may also need to fill in other forms.

You may be exempt from the Parental Income Test if your parent(s)/guardian(s) is/are:

- receiving a pension, benefit or allowance (excluding Family Tax Benefit, Child Care Benefit, Child Care Rebate, Carer Allowance or Mobility Allowance)
- receiving an income-tested pension from the Department of Veterans' Affairs
- · receiving ABSTUDY, Youth Allowance or Austudy for their own study
- · holder(s) of a current Health Care Card from us, or
- receiving certain other Australian Government payments.

The waiving of the Parental Income Test lasts for as long as the above circumstances apply.

Proof of income: Usually the production of a Notice of Assessment from the Australian Taxation Office is sufficient proof of income. However, where such a notice has not been issued or is not available, you should discuss the matter with us. Your parent(s)/guardian(s) may be able to verify their income by providing a full tax return and payment summaries, or a letter from their employer(s) on their employer(s)' letterhead.

The BASE tax year

Information provided in the ABSTUDY claim form should be in respect of the BASE tax year.

The BASE tax year is the financial year ending before 1 January of the year of study.

A CURRENT tax year assessment

An assessment can be based on the CURRENT tax year where there has been a substantial decrease in parental income that is likely to continue for at least 2 years. You will need to apply for a CURRENT tax year assessment for this reason and documentation is usually required. Estimates of income may be acceptable until a Notice of Assessment is available.

A CURRENT tax year assessment is also applied where parental income for the financial year immediately following the BASE tax year exceeds the BASE tax year income by more than 25 per cent. This assessment applies from 1 October.

Where the estimates provided vary from the final actual amounts, the customer's entitlement will be reassessed and where it is calculated that there has been an overpayment, the amount overpaid (debt) will be recovered by us. Where a reassessment of Boarding Allowance (paid fortnightly or term in advance to a school or hostel) is based on increased parental income for the CURRENT tax year, any Boarding Allowance overpaid from 1 October of the study year is the responsibility of the school or hostel that received the payment.

Refer to the appropriate year of payment listed below to ascertain the appropriate tax year:

The year of payment (calendar year)	The appropriate BASE tax year (1 July to 30 June)	The appropriate CURRENT tax year (1 July to 30 June)
2016	2014–2015	2015–2016
2017	2015–2016	2016–2017
2018	2016–2017	2017–2018
2019	2017–2018	2018–2019

If a claim is being lodged for a dependent student or Australian Apprentice between September and December of the study year being claimed, parental income details for the CURRENT tax year should also be provided (in addition to those for the BASE tax year). If the dependent student or Australian Apprentice will be continuing study or an Apprenticeship next year providing parental income details for the CURRENT tax year on this form will help us more quickly assess the eligibility of the student or Australian Apprentice for next year as well.

Reportable fringe benefits

Employer provided benefits (**fringe benefits**) received from an employer are counted as income under the Parental Income Test.

The customer's parents must tell us the amount of any exempt fringe benefits received from an employer who is a not for profit organisation and any other reportable fringe benefits.

Examples of reportable fringe benefits provided by employers:

- · helping pay rent or a home loan
- · providing a car
- · paying health insurance premiums
- paying child care expenses.

An employer's contribution to a complying superannuation fund is not a fringe benefit.

The value of any reportable fringe benefits will be recorded on parent(s)/guardian(s) payment summary for the financial year ending 30 June. Your parent(s)/guardian(s) can ask their employer to tell them the amount that is expected to be shown on their payment summary.

Exempt fringe benefits

Exempt fringe benefits are any reportable fringe benefits received from not for profit organisations eligible for a fringe benefits tax exemption under section 57A of the *Fringe Benefits Tax Assessment Act 1986*.

Other Fringe Benefits

Reportable fringe benefits received from all other employers that are not eligible for a fringe benefits tax exemption.

Net investment losses

Net investment losses include net losses from rental property (negative gearing) and non-property income investments such as shares. Investment earnings include taxable and tax-exempt interest, dividends and rental income. The value of such losses is added back to parental income for the Parental Income Test.

Reportable superannuation contributions

Reportable superannuation contributions are counted as part of parental income and include discretionary employer superannuation contributions (such as voluntary salary sacrificed amounts) paid by you or on your behalf and, for the self-employed, total superannuation contributions which will be claimed as a tax deduction.

If you (and/or your partner) are affected you must provide your (and/or your partner's) Payment Summary or personal income tax return that shows the contribution. Contact us about what evidence is required if you (and/or your partner) have salary sacrificed to the benefit of your partner's superannuation or you (and/or your partner) are between age pension age and 70 years.

Tax free pensions and benefits

Tax free pensions and benefits are certain non-taxable pensions or benefits received in the relevant tax year from the Department of Human Services, the Department of Veterans' Affairs or the Military Rehabilitation and Compensation Commission. It includes Disability Support Pension, Carer Payment or Wife Pension and similar pensions or benefits. It does not include Family Tax Benefit, Child Care Benefit, Child Care Rebate, Carer Allowance and Mobility Allowance.

Maintenance Income (including child support)

Maintenance income for the upkeep of a child or partner maintenance can include any of the following:

- cash
- lump sum payments and non-cash amounts
- utilities charges
- · school fees, and
- other payments made on behalf, or for the benefit, of the child.

Maintenance paid out for any dependent children is deducted from the combined parental income for the Parental Income Test.

Maintenance your parent(s)/guardian(s) receive for any dependent children is included in the Maintenance Income Test. Your parent(s)/guardian(s) will need to supply details of any voluntary maintenance they receive.

Voluntary maintenance is maintenance received for a child where no child support assessment has been made by us.

Farm Household Allowance

Farm Household Allowance (FHA) is a payment to assist farming families who are experiencing difficulties in meeting family and personal living expenses.

A person may get FHA if they are a qualifying farmer or partner of a farmer.

For more information about FHA, go to humanservices.gov.au/rural or call us on 132 316.

While a parent/guardian of a dependent ABSTUDY customer is in receipt of FHA, the parental income test is not applicable.

Other dependent children

Other dependent children who are in your care may be taken into account for the Parental Means Test, to make sure the effect of the test is divided across all children in the family. These children are included in what is called the ABSTUDY customer's Family Pool.

Other dependent children includes children in your or your partner's care if:

- the child is being paid one of the following payments as a dependent (i.e. their payment is also subject to the Parental Means Test):
 - Youth Allowance (YA)
 - ABSTUDY Living Allowance or School Fees Allowance
 - Assistance for Isolated Children (AIC) Additional Boarding Allowance, or

 the child meets the definition of a Family Tax Benefit (FTB) child (i.e. they are aged 0–19 years old, and, if aged 16–19, they are studying at secondary school). If there is a shared care arrangement in place for the child, this will also be taken into account.

Example: Taylor is a dependent 19 year old who lives away from home to study a Bachelor of Nursing at university. Taylor's parents earn \$120,000 per year. If Taylor was an only child, she would not be eligible for ABSTUDY because of her parents' income. However, as Taylor has a younger brother who is also receiving ABSTUDY, Taylor is able to receive ABSTUDY, and, if applicable, Rent Assistance and a Relocation Scholarship.

It is important to let us know when your family circumstances change, to make sure you are receiving the right rate of payment.

Rent Assistance

Rent paid by your parent(s)/guardian(s) may be included in the family pool which forms part of the Parental Income Test. It may increase the rate of payment you receive.

If your parent(s)/guardian(s) are paying rent but not receiving Rent Assistance from us then their rental details will need to be verified.

Assets Tests

ABSTUDY independent customers are subject to Personal Assets Test.

We use the current market value not the replacement cost or the insurance value of your assets.

Generally, any debt owing on an asset is deducted from the value of the asset.

Current market value means money you would get if you sold the asset.

Your assets could include:

- home contents (excluding fixtures like stoves and built in items)
- · cars, boats, motor bikes, trailers
- caravans (unless it is where you live)
- real estate other than your home, such as rental properties, farm, second homes, holiday houses
- financial investments (including money in bank, building society or credit union accounts, term deposits, debentures, bonds, managed investments and shares)
- market value of investments (including the surrender value of any life insurance policies)
- loans you have made to other people, family trusts and companies
- · 25 per cent of the value of your business
- an interest in a trust or company, or
- jewellery, antiques and other collectables.

Assets do NOT include:

- 75 per cent of the value of a person's interest in farm and business assets
- the principal family home whether personally owned outright or subject to a mortgage or if owned by a family business, partnership or family trust
- · special aids for people with a disability
- assets test exempt income streams
- · cemetery plots
- pre-paid funeral expenses, or
- funding from the National Disability Insurance Scheme for you (and/or your partner and/or your child(ren)).

If you are an Independent ABSTUDY customer and you think your assets are over the Personal Assets Test limit, you may still qualify for payment under Asset Hardship Provisions.

If you are not sure about what counts as an asset, call us on 1800 132 317.

The following ABSTUDY customers do not have to give us their tax file number:

If you think any of these situations apply to you, attach a note to your form. But remember, you must give your tax file number when you return from outside Australia or after attending the traditional ceremony.

Definition of a partner

Under ABSTUDY policy, a person is considered to be **your partner** if you and the person are:

- · married, or
- in a registered relationship (different-sex or same-sex), or
- in a de facto relationship (different-sex or same-sex),

and you and the person are not living separately and apart on a permanent or indefinite basis.

Note: Two people not physically living together can still be considered a member of a couple.

We generally consider a person to be in a de facto relationship from the time they commence living with another person as a member of a couple.

We recognise all couples, different-sex and same-sex.

For more information, go to humanservices.gov.au/moc

As a customer you may be required to confirm your identity when claiming a payment or service from the Australian Government Department of Human Services.

In most cases, you will only need to confirm your identity once in order to access payments and services across the department. You must confirm your identity by providing original documents (not copies) from the approved list below.

We need you to provide one document from each of the following three categories, one of which should be a photographic identity document:

- · 1 Commencement of Identity document, and
- 1 Primary Use in Community document, and
- 1 Secondary Use in Community document.

Where possible, the department will request your consent to verify the documents you provide.

Note: An identity document cannot be used multiple times (e.g. a document used as Commencement of Identity, cannot be used again as a Primary or Secondary Use in Community document).

If you are known by a name different to that on your Commencement of Identity document, you will need to provide a valid name change document (i.e. Marriage certificate or legal change of name certificate).

If you have difficulty in obtaining or providing these documents, please contact us as soon as possible.

You are not required to confirm your identity with your ABSTUDY claim if you are:

- transferring from Family Tax Benefit or ABSTUDY schooling A payments because you have turned 16 years
 of age and/or will be living away from home to study
- transferring from a job seeker payment such as Youth Allowance or Newstart Allowance, or other Centrelink benefit or pension, or
- dependent customer under 16 years of age, or
- applying only for part-time entitlement, Incidental Allowance, Lawful Custody Allowance or other nonliving-allowance benefit.

You can find out whether you need to provide proof of identity by calling us on 1800 132 317.

Other payments, concessions and help

If you receive a payment, there are other payments, concessions and help you may be eligible for. For more information, go to **humanservices.gov.au/servicefinder**

Centrepay

Centrepay allows customers to have regular amounts deducted from their income support payment for various purposes such as gas, rent, water, rates and electricity. Participation in the scheme is voluntary and customers may withdraw from the scheme at any time. This service is provided free of charge.

Community Engagement Officers

Community Engagement Officers may be able to visit you if you are homeless, living in a hostel or refuge, suffering from a mental illness, or fleeing from domestic violence. Community Engagement Officers can tell you about our payments and services and help you access these services. They provide services in locations like rehabilitation centres, psychiatric hospitals, prisons, hostels, drop-in centres.

Deductions of child support payments

All child support payers, who do not have the child in care for at least 14 per cent of the time, will have to pay child support. There is a minimum amount of child support payments that can be deducted from your income support payment.

If the child support payer owes child support or has children from 3 or more previous relationships then up to 3 times the minimum rate can be deducted per fortnight from income support payments, including recipients of Youth Allowance (including Youth Allowance paid to parents of a Youth Allowee under 18 years of age).

To alter or cancel a deduction, call us on 131 272.

Health Care Card

A Health Care Card provides you access to pharmaceutical medications listed under the Pharmaceutical Benefits Scheme at a reduced cost. You **may** also receive other concessions provided by state and territory governments.

Indigenous Services Staff

Indigenous Services Staff are located in most of our service centres. Some or our service centres also have interpreters who speak Aboriginal or Torres Strait Islander languages and teams who visit and help remote communities.

Jobs, Education and Training Child Care fee assistance

Jobs, Education and Training (JET) Child Care fee assistance provides extra help with the cost of Child Care Benefit approved child care for eligible parent(s)/guardian(s) undertaking activities such as job search, work, study or training as part of a Job Plan or Participation Plan, to help them to enter or re-enter the workforce.

A Job Plan means an Employment Pathway Plan under the Social Security Act 1991.

JET Child Care fee assistance can help meet the cost of child care by paying some of the difference between the total child care fee and the amount covered by Child Care Benefit, for care related to participation in approved activities.

JET Child Care fee assistance payments are made directly to the child care service on behalf of parents.

Parents will still make a contribution towards the cost of care.

A different gap fee may be payable for any child care used in the week not related to an approved activity.

Note: To be eligible for JET Child Care fee assistance, you must receive the maximum rate of Child Care Benefit as reduced fees (you cannot elect a lessor rate) and be on a qualifying income support payment.

For more information about JET Child Care fee assistance, go to humanservices.gov.au/jetccfa

Remote Area Allowance

Remote Area Allowance was introduced as an additional assistance for customers in remote areas. It recognises that many customers who do not pay tax, or very little tax, do not get the full benefit of tax zone rebates. Remote Area Allowance makes a contribution towards some of the costs associated with living in remote areas.

Rent Assistance

(ABSTUDY or Youth Allowance)

You may be eligible for Rent Assistance if you rent your accommodation in the private rental market. This includes paying private rent, board or lodging for accommodation in a house, flat or unit, boarding house, hostel or private hotel. It also includes paying ground rent, site fees or mooring fees for a caravan, mobile home or boat in which you live.

Rent Deduction Scheme

The Rent Deduction Scheme allows customers in public housing to have their housing payments (such as rent, loan repayments and arrears) deducted from their income support payment and sent directly to the Housing Authority in their state or territory.

Social Workers

We have professional social workers in our service centres and Smart Centres throughout Australia. Social workers can offer you personal counselling and support in difficult times, such as domestic and family violence, severe financial hardship, homelessness, loss and bereavement. They can refer you to other services and programs like housing, health, emergency relief, legal and/or counselling services and support groups.
