

## STUDENT MONEY AGREEMENT

CHILD'S NAME: \_\_\_\_\_

Student money agreement:

- I will use the Centrepay system (separate Centrepay form required)
- My child will not be allowed to have a key card
- I will not provide cash directly to my child (money can be transferred into the student account at Wiltja Boarding)
- I authorise Wiltja Anangu Secondary College to hold funds in the student account on behalf of the student and decide on appropriate use of those funds
- I authorise Wiltja Anangu Secondary College to transfer funds between my children whilst in attendance at Wiltja Boarding and also split the Centrepay deduction equally between my children when applicable.
- I understand that student funds will be used to reimburse the costs of repairing any deliberate property damage
- Any funds held when the student discontinues at Wiltja will be repaid in accordance with the 'Return of Money' guidelines below.

RETURN OF MONEY

If the student discontinues their enrolment with Wiltja, any surplus balance will, **after consultation with the family** be remitted as follows:

- Funds for students under 18 years of age will be returned to the Carer/Guardian
- Funds for students 18 years of age and over will be returned to the student
- We further note that should the student discontinue their enrolment with Wiltja, any surplus balance will be remitted directly to Centrepay. For students under 16 years of age, this will be the Centrepay account relating to the carer or guardian. For students over 16 years of age will be their own Abstudy account, this will then be redirected to their own account. Any surplus funds directly provided by carers or the schools will be forwarded by cheque or EFT, once bank account details have been provided.
